SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

This is in response to the communication mailed on December 19, 2005. The prior Information Disclosure Statement filed on September 20, 2005, was filed after the mailing date of the Notice of Allowance, September 13, 2005, but before receipt of same by Applicant. Thus, the IDS of September 20, 2005 crossed in the mail with the Notice of Allowance. Reconsideration of the prior IDS is respectfully solicited since all of the requirements for consideration have been satisfied.

The reference cited in that IDS, JP 05-153162, was first cited in an Official Action issued by the Japanese Patent Office on August 4, 2005 in the parallel Japanese Patent Application. The IDS was filed on September 20, 2005. Thus, the reference was filed in an IDS within the three-month period specified in 37 C.F.R. 1.97(d). The prior IDS authorized the payment of any fees, and the fee

required for consideration of the IDS can be charged to Applicant's deposit account as noted herein.

The following information is being disclosed to the Patent and Trademark Office as information that may be material to the examination of the above-identified patent application. Applicants' Attorney is aware of the following patent:

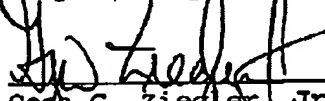

05-153162

A Copy of this reference is enclosed together with a Form PTO-1449.

The filing of this Statement is not to be construed as a representation that a search has been made regarding the claimed invention (37 C.F.R. §1.97(g)) or that no other possible material information exists. In addition, the filing of this Information Disclosure Statement is not to be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability (37 C.F.R. §1.97(h)).

The Commissioner is hereby authorized to charge payment for the fee required for this submission, together with any other fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,

Gary C. Ziegler, Jr.
